

## 7<sup>th</sup> Markham at Treetop Trekking Stouffville

**Date:** Sunday, May 19, 2019

**Who:** Beavers, Cubs, Scouts, Venturers, Rovers, Scouters

**Time:** 12:30 – 4:00 PM

**Location:** Treetop Trekking Stouffville, 3291 Stouffville Rd, Whitchurch-Stouffville, ON L4A 7X5

### Notes:

Please review the safety requirement before you come. <https://treetoptrekking.com/safety>.

Please come to the Treetop Trekking Stouffville office when you arrive. The staff will need to verify your height and provide you with the right waistband for the course. There will be two different Mandatory Safety Orientation sessions: one for Discovery Course + Treewalk Village and another one for Zip Line Aerial Game Treks. Make sure you go to the right session. All necessary safety equipment will be provided: including a rock-climbing style harness and a safety helmet. Our group is scheduled to climb at 1:00pm.

### What to Wear:

- Closed toed shoes like running shoes or hiking shoes (no sandals or Crocs).
- Comfortable/ athletic clothing – shorts are fine on hot days, but we recommend longer shorts that come down to your knee.
- You cannot wear any head-ware under your helmet, unless it is thin, and skin tight.
- If applying bug spray or sunscreen, please do so before putting on our safety harness and helmet.
- Gloves are not mandatory; however, many people do prefer to use them. You are welcome to bring your own gloves (tight fitting gardening or cycling gloves work best), or you can purchase them at the park when in-stock.
- You should bring a water bottle (and snack) and they will be with you all the time while you are up on the ziplines.
